The first floor offers an airy open-concept layout with radiant-heated concrete slab floors, a chef's kitchen outfitted with stainless steel appliances and custom bluestone countertops, and a half bathroom. Expansive windows and glass doors flood the space with natural light throughout the day. Upstairs, the second floor includes two bedrooms and a full bath, complete with a luxurious soaking tub and a stunning walk-in shower. Both bedrooms feature high ceilings and direct access to a deck with serene lake views. A third-floor loft space provides additional sleeping nook and opens onto a private rooftop deck with seasonal views of Cooper Lake—perfect for entertaining or quiet moments at sunset.
