Here is your country home! And your home studio! This house has been loved and lived in as a second home for many years, and now it's time for you to enjoy. The home has undergone many upgrades; oil boiler and tank, roof with plywood and gutters, heat pump, stone steps, bluestone, french drains, oak flooring, kitchen remodel, 200 amp service and service panel, well pump, patio restore. Also the barn has been completely restored. Lifted and made into a two car garage underneath and a studio on the first level with storage in the rafters. This would make a fantastic studio or workshop. 12+ acres with a flat area at the top of the hill gives this house a great buffer. The owner is selling the property "as is"
