

906 Albany Post Road
New Paltz, NY 12561
For Sale: \$575,000

Type:	Single Family
MLS#:	987392
Square Footage:	2,104
Taxes:	\$9,850
Year Built:	1827

Opportunity Knocks on this thoughtfully reimagined country retreat, that just needs some finishing touches. Sellers are moving and don't have time to complete the finish work. Modern updates meet timeless surroundings. This 3-bedroom, 2 full bath home is nearing completion of an extensive, top-to-bottom renovation—offering the rare opportunity to own essentially new construction in an established, picturesque setting. Hardwood Floors, Great Natural Light, Creative Built-in Cabinetry + multiple living spaces are just some of the highlights of this special home. Set along a scenic country road just moments from local wineries and hiking trails, the property delivers both privacy and convenience—perfect for those seeking a refined upstate lifestyle. Since 2009, the home has undergone a comprehensive gut renovation down to the studs. Major improvements include all new windows, insulation, 2x6 framing, sheetrock, flooring, trim, bathrooms, and a new roof—providing peace of mind and long-term value for the next owner. Main Level features: Foyer with Coat Closet, Living Room with Sliders out to backyard, Dining Room leading to Screened-in porch, Renovated Kitchen, Family Room with Bay Window and Woodburning Stove, Full Bathroom + Oversized Laundry Room with walk-in closet. Upstairs you will find a Primary Bedroom with full bathroom, 2 additional bedrooms + a screened-in porch area. The outdoor space boasts a newly installed in-ground pool (2020), surrounded by beautifully curated flower gardens and frog pond. Additional features include two outbuildings (a 1 car garage) offering flexible use for storage, studio space, or workshops, along with a charming treehouse. With the finishing touches underway, this home presents a rare chance to step into a (mostly) transformed property without the wait or complexity of a full renovation. A truly special offering in a sought-after location.
