Set within one of New Paltz's most thoughtfully designed Net Zero communities, 10 Taylor Street is a rare convergence of sustainability, scale, and walkable village living. This 3,367 sq ft residence offers 3 bedrooms and 2.5 baths across three levels, designed with both environmental integrity and everyday luxury in mind . A sun filled interior is grounded by rich hardwood floors and anchored by a beautifully appointed kitchen featuring custom cabinetry and quartz countertops, equally suited for quiet mornings or lively gatherings. The home's geothermal HVAC system paired with owned solar delivers efficient, year round comfort, reinforcing its Net Zero performance and forward thinking design and zero-cost utilities. Upstairs, the primary suite has been thoughtfully renovated, highlighted by a spa like bath with a soaking tub positioned to capture serene views of the iconic Skytop Tower at Mohonk. The third level offers a flexible living space with a framed vista of the Shawangunk Ridge, an inspiring setting for your evening retreat plus a separate space for a studio/office. Outside, a beautifully designed patio creates an inviting extension of the living space, complemented by a private side yard framed by mature landscaping and trees. It is a setting that feels both curated and secluded. Outside your door, the best of New Paltz unfolds effortlessly. Enjoy access to the Wallkill Valley Rail Trail, Moriello, the village pool, and the vibrant shops and dining of Main Street, all just moments away. A home that lives lightly on the land without compromising on comfort or style, 10 Taylor Street is where modern sustainability meets Hudson Valley lifestyle.
