Electric car-charger included! The passive solar and sun filled interior is grounded by rich hardwood floors and anchored by a beautifully appointed kitchen featuring custom cabinetry, stainless appliances and quartz countertops. Upstairs, the primary suite has been thoughtfully designed, highlighted by a spa-like bath with a large soaking tub, positioned to capture serene views of the iconic Skytop Tower at Mohonk. The third level offers flexible living spaces with a framed vista of the Shawangunk Ridge, an inspiring setting for your evening retreat, plus a separate space for a studio, office or additional guest room. Outside, a beautifully designed patio and large yard create an inviting extension of the living space, complemented by a private side yard and firepit, framed by mature landscaping and trees, providing both a curated and secluded setting. Just steps to the best of New Paltz including local coffee stops, great restaurants, vibrant shops, the town pool and an abundance of hiking and biking trails.
