Perched on a beautiful knoll and tucked back from a quiet country road, this Stone Ridge home has the kind of setting people move upstate for. Manicured lawns, mature woods, winding trails, new fenced in garden and an old stone wall along the driveway create a sense of privacy and charm from the moment you arrive. The wide wraparound farmer's porch is made for long summer evenings, while the screened-in porch is the perfect spot for dinner with friends or coffee on a rainy morning. Inside, the home feels warm, inviting, and easy to live in. The bright eat-in kitchen opens to a cozy media room with direct access to the screened porch, creating a natural everyday gathering space. Custom-milled hickory floors run throughout, adding richness and character. A formal dining room is ready for holiday meals and lively dinner parties, while the oversized living room offers plenty of space to stretch out and relax. The main level also includes a primary bedroom with en-suite bath with a custom built sauna, along with a spacious laundry and mudroom connected to the attached two-car garage. Upstairs, two bedrooms share a Jack and Jill bath, and a huge flex room offers endless possibilities as a second living room, gym or studio. There is also a dedicated home office, ideal for remote work or creative projects. A separate staircase to the garage adds flexibility and convenience. Downstairs, a large unfinished basement with high ceilings offers exceptional storage now and exciting potential for future expansion, whether you envision a home gym, recreation space, workshop, or additional finished living area. The location is exactly where you want to be. Just minutes from the center of Stone Ridge, you're close to beloved local favorites like The Roost, Hash, Stone House Tavern, and nearby Ollie's Pizza for one of the area's favorite pizza nights. Rosendale is less than 15 minutes away with its artsy energy, festivals, and local charm, while New Paltz and Kingston are both nearby for dining, shopping, and culture. And when the city calls, you're just 90 minutes to the George Washington Bridge.
