This beautifully designed, turnkey, custom-built home--completed in July 2023--sits on a private 0.63-acre lot, on a dead-end road, in highly desirable Hurley, New York. Thoughtfully crafted and featured in Chronogram Magazine (June 2024), the home embodies a serene Scandinavian aesthetic with soaring ceilings and a calming, cohesive palette. Step inside to an open-concept layout where the kitchen, living, and dining areas flow effortlessly together, creating a harmonious and inviting space. Natural light pours in throughout the home, enhancing its warmth and simplicity. The bedroom is privately situated toward the rear of the house, offering an added sense of quiet and retreat. The spacious bathroom is a true highlight, featuring a walk-in shower and a deep soaking tub--perfect for relaxation. Every detail has been carefully considered, blending style with comfort. Additional features include a screened porch that functions as an extension of the living space--well-suited for dining, reading, or spending time outdoors while protected from insects. Generous closet space and ample storage throughout. Built for efficiency and ease, this all-electric home includes a heat pump, central A/C, and brand-new appliances (2023). Low taxes and minimal maintenance make for effortless living. Ideally located just minutes from Uptown Kingston, the NYS Thruway, and the vibrant communities of New Paltz, Rhinebeck, and Woodstock--with shopping, dining, and skiing all nearby--this home offers both privacy and convenience. Optional furnishings available. Architect's drawings for adding an office/bedroom are available for the buyer, and original builder is available to expand the house if desired. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
