For Sale: \$745,000

Type:	Single Family
MLS#:	967819
Square Footage:	2,906

The Rhinecliff House begins with its setting, just steps from the Rhinecliff train station and a short drive into the Village of Rhinebeck, where mornings can start with a walk for coffee and end with a seamless trip back from the city. It is a place where Hudson Valley calm and everyday access to NYC naturally meet. Inside, the home unfolds with a sense of ease and possibility. Currently arranged as a two family residence, it offers flexibility that adapts to the way you want to live. The first floor moves comfortably from a formal dining room to a welcoming family room, with two bedrooms, a mudroom, and a rear porch that opens to a fenced yard, a space equally suited for quiet living or generating rental income. Upstairs, three additional bedrooms create room for extended stays, multi generational living, or a simple investment setup. Whether kept as is or thoughtfully reimaged into a single family home, the layout invites your vision. Set on approximately 0.84 acres, the property feels unexpectedly expansive for such a convenient location, made even more compelling by the inclusion of the adjacent parcel formerly known as 410 Rhinecliff Road. Together, they create a broader sense of space and possibility that is rarely found this close to the train and village. Recent upgrades, including a brand new HVAC system and a new roof, bring a sense of ease and reliability. Beyond the main house, a detached garage, positioned on the former 410 parcel and also with a new roof, offers another chapter waiting to be written, whether as a studio, workspace, or creative retreat, with the added flexibility that comes from its placement on the additional lot. With nearly an acre of land, there is space here to grow, to garden, to gather, or to shape something more. The Rhinecliff House is not just a home, but an opportunity to create a lifestyle defined by flexibility, scale, and connection to one of the Hudson Valley's most sought after settings. And though you're not on the water, the river breeze reminds you it's never far.
