Move-in ready ranch located just steps from Downtown Kingston! This well-maintained 3-bedroom, 1.5-bath home is situated on a double lot offering peace, privacy, and relaxation. As you enter, you are greeted by an open living room that flows seamlessly into the dining area and kitchen. The kitchen is sure to impress with beautiful oak cabinetry, quartz countertops, and stainless steel appliances. Just off the kitchen is a convenient laundry room, making everyday chores a breeze. Off the dining area is a spacious four-season room, heated by a cozy gas fireplace, overlooking the manicured yard and crystal-clear pool, creating the perfect space to relax year-round. All three bedrooms offer generous closet space and are serviced by a beautifully updated full bath featuring modern fixtures and a walk-in shower. The full lower level is partially finished and offers the perfect family or game room, along with a half bath and plumbing already in place for a potential full bath installation. The unfinished section provides ample storage space. With walk-out access to the side driveway, the lower level also presents excellent potential for a mother/daughter setup if desired. Outside, enjoy both a welcoming front porch and a spacious deck overlooking the manicured yard. The property also allows for ample parking and a shed perfect for storing outdoor equipment. Tastefully updated throughout, the home features newer flooring, windows, and updated kitchen and baths. The roof was replaced in 2025. Home has been well cared for over the years, come take a look! ** Please note there is an additional 573 sq. ft of finished space in the walk-out lower level
