Located in quiet Rolling Meadows, this well maintained, split level home has plenty of room for everyone. The large, vaulted ceiling great room with bright natural light and beautiful hardwood floors is great for entertaining throughout all seasons. The eat-in kitchen with a functional layout offering ample counter space, a dining area and original mid-century cabinetry gives enough room for the cook to spread out. The formal living room is adjacent, creating another space to visit, read and relax. On the upper level you will find three nicely sized bedrooms, with ample closets. A full bath accompanies these bedrooms with a linen closet and access to the full walk-up attic, perfect for storage. The lower level provides additional living space – think office, play room, studio, etc. and also features the second full bathroom. From this second living room, you will access the one car garage with a convenient laundry room providing counterspace as well. With access to the basement from here you will find a full basement equipped with benches for wood-working equipment and room for all of your tools. An added bonus to this home is the additional attached 2-car garage. All systems are well cared for and pride of ownership is evident throughout this home. Just minutes from Uptown Kingston, Exit 19 and all that Ulster County has to offer.
