Great opportunity for a versatile commercial/garage property located at 337 Broadway in Kingston. This property features a large paved front parking area measuring approximately 63 feet from the building to the sidewalk and about 55 feet wide, offering excellent off-street parking and exterior usability. The garage includes a 12-foot-wide by 10-foot-high overhead door with electric opener, a spacious service bay with approximately 14-foot interior ceiling height, and garage dimensions of approximately 28 feet deep by 16'8" wide. Additional features include concrete flooring, high ceilings, utility/storage area, and a separate finished office or reception room with tile flooring and natural light. The property also offers a half bathroom, exterior entry, interior access to the garage, updated exterior siding, and visible utility/mechanical access. Well-suited for automotive use, contractor space, storage, light service business, or other commercial possibilities. T5MS zoning allows for a diverse mix of medium- to high-density, walkable urban environments featuring ground-floor retail, upper-floor residential or office spaces, entertainment venues, and civic buildings. Convenient Broadway location with easy access to Uptown, Midtown, Downtown Kingston, and major travel routes.
