Pride of ownership radiates from the moment you drive up to 101 Elisa Landi. Framed by mature perimeter evergreens, a pristine stamped-concrete driveway welcomes you to this meticulously maintained Kingston estate, complete with vibrant perennial gardens, custom hardscaping, and a full-property sprinkler system. Inside, the main level is masterfully designed for effortless one-level living and sophisticated entertaining. The chef's-delight kitchen is a true centerpiece, boasting a double oven, a dedicated baking center with its own sink, and an expansive center island with a cooktop and bar seating--all opening to a large, sun-drenched breakfast area. Just beyond, a spectacular solarium offers a breathtaking, sun-filled retreat that steps directly out to the side deck and your backyard oasis. Host elegant gatherings in the formal dining room, complete with built-ins and French doors that open to a stately, step-down formal living room (featuring hardwood under the carpet). Tucked away for casual downtime, a separate family room offers a cozy fieldstone fireplace and a convenient dry bar, with a guest powder room and dedicated laundry area located just off the space. Down the hallway, a private wing houses a full bath, a dedicated home office with custom built-ins, and two spacious bedrooms--including one with its own private en-suite full bath. While you can easily live entirely on the main floor, the second story is a dedicated 720 sq. ft. primary sanctuary. This massive retreat features a sprawling walk-in closet, a dual-sink full bath, and your very own private sauna for the ultimate spa-like experience. The lower walk-out level adds incredible versatility, showcasing a massive great room with a half bath, abundant storage, two-car garage access, and entry to a covered patio. Step outside into your private backyard paradise: an expansive deck with a striking gazebo/pavilion leads down to a sparkling 17x36 inground pool. Surrounded by inviting seating areas around the pool for lounging or picnicking, flowering bushes, and a charming "she-shed" pool house, this outdoor resort is unmatched. All of this privacy and luxury, located just minutes from historic Kingston, local dining, and major highways. Truly a rare find!
