With 2,856 square feet of comfortable living space, this 3-bedroom, 3.5-bath home features a practical, well-designed layout with generous room sizes and flexible living areas. The primary suite is a defining feature of the home, offering an unusually generous bedroom, a large bath, and a substantial walk-in closet. Two additional bedrooms and an office space as well as flex space on the lower level make it possible to have guests as well as to work from home. The cozy living room provides a welcoming gathering space and the open layout connects all the common areas. The kitchen leads to the dining area and both flow directly into a beautiful three-season porch, creating an ideal space for morning coffee, dining and entertaining. A partially finished lower level offers additional living space, including a gym area and a flex room with a fireplace that adds warmth and ambiance. An attached two-car garage is complemented by a separate detached two-car garage, providing great storage, studio, workshop, or hobby space. A whole house generator insures that there is no break in your comfort when the power goes out! The property is located within 10-15 minutes of Woodstock, Kingston and Saugerties making the location ideal. You are also a few minutes away from the coveted Zena Rec club where swimming and tennis are just some of the activities to enjoy. This is a rare opportunity to enjoy a great location, beautiful acreage, and a versatile home in a quiet country setting. The home has been lovingly maintained by the current owners inside and out.
