Bring your vision and unlock the potential of this spacious 4-bedroom, 3-bath home offering 1,992 square feet of living space. Tucked away just outside the hustle and bustle of Kingston, this property provides a peaceful setting while still offering convenient access to shopping, dining, schools, and major commuter routes. Featuring a generous rear deck and plenty of living space, you won't have to envision too hard what this home can become. The bones are here, the layout works, and the property has been well maintained overall. What it needs most is cosmetic updating and a little love and care to bring it back to its full potential. Whether you're an investor, renovator, or buyer looking to build equity, this is an opportunity to add your personal touch without taking on a major rehabilitation project. Being sold strictly as-is. Bring your offers!
