Architect-Designed Modern Retreat with Unparalleled Views Over Woodstock! Perched high above the Town of Woodstock, this rare and exceptional home offers a front-row seat to breathtaking panoramic views that stretch from the mountains to the Ashokan Reservoir. Designed by noted architect Les Walker, this contemporary residence evokes the magic of living in a luxurious treehouse—where every room is immersed in natural light and dramatic scenery. Wake to stunning sunrises and unwind to radiant sunsets from the comfort of your open floor plan living space, where a soaring floor-to-ceiling bluestone fireplace anchors the heart of the home. Expansive windows line the entire south-facing rear of the house, bringing the outdoors in and framing unforgettable vistas year-round. Enjoy seamless indoor-outdoor living with two spacious decks—one screened for breezy summer nights, and one open for sun-soaked afternoons. The chef's kitchen flows effortlessly into the main living area, ideal for entertaining or quiet evenings by the fire. The main floor primary ensuite features a walk-in closet, built-in shelving, and serene views, while two flexible-use rooms offer space for a home office, media room, or guest quarters. Smart thermostats add modern comfort. Step outside to your private bluestone patio with a heated saline inground pool, outdoor kitchen, and firepit—your personal oasis nestled in the Catskills. A finished studio space above the 440 sq. ft. garage offers even more options for creativity or guests. Additional features include solar panels with battery pack, a circular drive for easy access, and meticulous attention to detail throughout. A truly rare offering—private, peaceful, and just minutes to the vibrant arts, dining, and community of Woodstock. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
