Welcome to your private sanctuary, tucked into more than three wooded acres just ten minutes from the heart of Rhinebeck Village. Set at the end of a quiet dead-end road, this peaceful retreat feels worlds away, where the surrounding woods offer a constant sense of calm and seclusion. At the center of the property stands a striking modern lodge with an expansive glass facade. A stunning stone chimney rises through the heart of the home, serving as both interior hearth and exterior landmark. This architectural centerpiece grounds the soaring space and creates a warm counterpoint to the wall of glass and abundant natural light. Offering nearly 2,000 square feet of living space, the home features three bedrooms and two full bathrooms. The interiors strike a rare balance--open and airy, yet intimate and welcoming. Living, dining, and kitchen spaces flow seamlessly together, creating an environment equally suited to quiet mornings or lively gatherings. The upper level is devoted to the primary suite plus a flexible landing overlooking the living space below is the perfect office space or library perhaps? Perfect for full or part time living there's plenty of room for guests. A large finished lower level provides additional space for recreation, fitness, media, or studio use, expanding the home's versatility well beyond its main living areas. Outside, a large deck wraps around two sides of the home including a screened-in porch for summer evenings. Stone walls edge the lawn, a fire pit invites evenings beneath the stars, and a basketball half-court sits at the edge of the woods. Surrounded by mature trees and immersed in nature, this is more than a home--it is a true Hudson Valley sanctuary.
