Spawning luxury apartment located on the 2nd floor of one of Albany Ave's most prestigious-looking properties. The apartment features expansive open living areas, a custom kitchen with stone counters and stainless steel appliances. Hardwood floors grace most of the living areas. There is a large bedroom suite on the main living level and then a 2nd bedroom on the partial 3rd floor. There is a washer and dryer, a 2nd full bathroom, and plenty of storage areas. This is the only apartment in the building; the first floor is a large office space that is also available for rent. The back of the rental has an amazing enclosed sunroom and then an outside balcony. This is a very rare luxury apartment rental for the area.
