This Classic Colonial in the Onteora School district provides room to grow and enjoy. Surrounded by woods and total privacy; the rear deck and screen porch deliver a great outdoor experience and a place to dine al fresco, or enjoy a breezy afternoon nap. Enjoy yard games in the back yard while you BBQ--with easy access to the kitchen just inside. Too many features to list here including: 4 Bedrooms, 2.5 Baths, a huge Kitchen and Dining area, a circular flow between the Living Room (that is anchored by a fireplace and hearth), a large Den, a formal Dining Room (the first floor is convenient in every way). Additionally, there's a huge first floor mud room/laundry area, an oversized 2 car garage (with ample storage above), and a full basement with newer mechanicals and lots of room for storage or a place to pursue your hobbies. The oversized paved driveway and sprawling front yard invite you in! Everywhere are examples of well thought-through space, inside-and-out, with luxurious perennial plantings and mature trees punctuating the property and captured in every window and just outside every door. All this is on a super quiet country, dead-end road. You'll be minutes to Woodstock or Kingston. A pleasure to see and show. By Appointment ONLY.
