Timeless character meets everyday comfort in the heart of Uptown Kingston. Just moments from the historic Stockade District, this inviting Dutch Colonial showcases the craftsmanship of a bygone era, with a welcoming front porch, original carved wood details, and stained-glass accents. Inside, high ceilings, hardwood floors, and spacious living and dining rooms create an ideal setting for both entertaining and daily life. A functional fireplace serves as a charming focal point between the two gathering spaces. Upstairs, three bedrooms provide space for family, guests, or a home office. Step outside to discover an unexpected backyard retreat. An expansive deck overlooks a deep fenced in yard framed by mature trees and established hedges. The home has been carefully maintained and enhanced with practical upgrades, including four Mitsubishi high-efficiency mini-split systems with heat pumps installed in 2023, providing year-round comfort, while a natural gas furnace remains in place as a backup heating source. Additional improvements include updated kitchen appliances, a hot water heater, and exterior painting completed in 2022. The attic, (accessible via staircase), features spray-foam insulation for improved energy efficiency. Despite its peaceful, private setting, the property is just a short distance from Uptown Kingston's celebrated restaurants, shops, galleries, and cultural attractions. This home offers the perfect balance of historic charm, modern comfort, and Hudson Valley living.
