Stunning...Brick mid-century ranch distinguished by clean architectural lines, an open floor plan, and thoughtfully curated updates. The renovated kitchen integrates effortlessly with the living and dining spaces, where expansive windows fill the interior with natural light and a wood-burning fireplace serves as a refined focal point. The home offers three bedrooms, including a primary suite with an en-suite bath, as well as an additional full bath and a powder room. Sliding doors from both the living area and the primary bedroom lead to a covered courtyard, creating a private outdoor extension of the home's living space. Set on a quiet cul-de-sac, the property is moments from Uptown Kingston, Wiltwyck Golf Club, and a variety of restaurants, shops, and leisure destinations. A balanced expression of mid-century design and contemporary comfort, this residence is both architecturally distinctive and exceptionally livable. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
