Welcome to 33 Alan Street in Stone Ridge, a 1971 raised ranch renovated in 2023 in a quiet neighborhood with no through traffic. The main level has an open plan living area featuring solid red oak floors throughout the living room, anchored by an inviting fireplace, newly renovated kitchen area with quartz countertops, and a dining area connecting to a gorgeous sunroom where you can enjoy your morning coffee and watch azalea bloom in spring, the towering oaks offering shade in the summer, and the dogwood in the fall bearing bright red berries - a favorite of visiting birds. The sunroom opens onto a spacious two-tiered deck, creating a private outdoor retreat that's perfect for entertaining, dining al fresco, or simply unwinding. Along the connecting hallway are three bedrooms, renovated bathroom with herringbone tile floor and shower. Other recent updates include mini-split units for efficient heating and cooling and new windows (the sunroom retains its original glazing). The lower level offers two large, flexible rooms: one currently configured as a gym and the other as a lounge with a wood-burning stove. There's also a half bath with laundry and direct access to the backyard (separate laundry hookups are also available on the main level). This sweet home is close to the rail trail, co-op, grocery, drug store and all the restaurants and cafes of Stone Ridge and High Falls are within a five-minute drive. A little further and you'll enjoy easy access to some of the Hudson Valley's most sought-after destinations, including Woodstock, Mohonk, Inness, and countless outdoor adventures. Combining comfort, flexibility, and exceptional location, this special home is ready to welcome its next owners. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
