Welcome to 26 Becket Street in Kingston, a beautifully fully remodeled modern ranch offering a fresh, stylish, and move in ready interior. This thoughtfully updated home features 3 bedrooms, 1 bathroom, with a versatile layout that lives like a 4 bedroom. The main level offers convenient one floor living, with all 3 bedrooms and the full bathroom located on the same floor. Step inside to a bright and inviting interior featuring modern finishes and a comfortable flow throughout. The living spaces are designed for both everyday comfort and entertaining, while the updated finishes give the home a clean, contemporary feel. The full, partially finished basement adds even more versatility and usable space to the home. The lower level is ideal for a recreation room, home office, guest space, gym, or additional living area, while still providing plenty of room for storage. With its complete renovation, modern design, convenient main level bedroom layout, and flexible lower level, 26 Becket Street offers the ease of ranch style living with the additional space buyers are looking for. Move right in and enjoy a beautifully updated home that offers much more space and versatility than meets the eye.
