Year Built:	1985

OPEN HOUSE SAT 9/12 1-3PM | With nearly 14 acres, a heated saltwater pool, a separate two-bedroom ADU, and a warm character-filled main house, this Woodstock stream side country compound has been reimagined and meticulously updated within the last 5 years from soup to nuts. It is move-in ready as a weekend home, Air B&B or full-time residence. The main residence has the relaxed unpretentious character that makes a house feel immediately like home. Sun filled rooms, exposed beams, wood floors The beautifully appointed kitchen with Sub-Zero fridge, Bertazzoni range, extra thick quartz countertops and plenty of cabinetry is truly a cook's haven. Don't miss the sweet 3 season sunroom - a great spot for reading or meditating, and the mudroom off the kitchen to store boots and other outdoor paraphernalia. All 3 baths have been updated as well as all major systems in the home. A 1st floor bedroom plus 2 bedrooms and a den upstairs offer plenty of sleeping space for everyone and the super large primary suite w/balcony overlooking the pool, stream, gardens and woods beyond. The basement is partially finished, great for workshop, rec room and storage galore. A wrap around deck and covered front porch provide endless enjoyment in warmer weather. The 2 bedroom ADU/rental above the garage for guests, Air B&B or full time rental income includes a large living/work space on the lower level suitable for yoga, gym or an art studio For nature lovers there are 13+ private acres to enjoy gardening, hiking, badminton, or lazing in a hammock. A beautiful fenced in perennial garden has the most adorable shed painted in whimsical colors and is perfect as a playhouse, artist's studio, or summer glamping spot. This is a great property for those seeking a Catskills country lifestyle with acreage, but only minutes to the Villages of Woodstock or Saugerties. Enjoy a Woodstock mailing address with Saugerties STR permit availability. Sellers previously operated a profitable Air B&B with Super Host status. All the mechanicals in the home have been replaced or upgraded. The HVAC was replaced including a new boiler and radiant heat added on the 1st floor, 2 new heat pumps, 2 new air handlers. Additional panels were added to the existing solar array, amping it to 27 panels plus a new inverter and 17KW battery backup for power outages. Exterior stained and painted. A full list of updates available upon request. A 3D Walkthrough Tour is available in the digital Lookbook or by request.
