Bring your vision and breathe new life into this mid-century modern ranch! Set back from the road on a level lot of nearly an acre, this 3-bedroom, 2-bath home offers approximately 1,320 square feet of living space and plenty of opportunity for transformation. The home is in need of a full renovation, making it an ideal project for a buyer looking to restore its original mid-century character or create a completely updated modern retreat. The property features a spacious, full unfinished basement offering additional storage and potential for future living or recreational space. Outside, mature trees provide privacy and a beautiful established setting. A small farm stand on the property adds a unique touch and could offer a variety of possibilities for the next owner. Located on a busy road, this property offers excellent visibility while still being set back from the road on a level, usable parcel. If you're looking for a property with character, land, and the opportunity to make it your own from the ground up, this could be the one. Bring your contractor, your ideas, and your imagination!
