There are just a few roads in New Paltz that buyers always seem to ask about. Plains Road is one of them. Bright, cheerful, and filled with sunlight, this two-bedroom, two-bath Cape sits on an open level acre with plenty of room for gardening, games, and long afternoons outside. Inside, warm wood floors, oversized windows, and an open floor plan make the home feel cheerful and inviting. I'm not sure I have seen a sunnier home! Sunlight floods the rooms throughout the day, while a gas fireplace adds warmth when the seasons turn cooler. A study on the main floor could easily become a guest room, home office, or cozy den. Upstairs are two spacious bedrooms, one with the sweetest window seat to curl up with a book. The front porch is spacious and welcoming and a wonderful extension to the living room. The best spot for al fresco dinners with friends and family or simply lounging and watching the world go by. A one-car garage and full basement provide plenty of room for storage, bikes, garden tools, and all the things that come with country living. Solar panels are installed and owned by the seller and will transfer with the property. Plains Road offers that wonderful combination of country living and connection that is increasingly hard to find. You're minutes from the Wallkill Valley Rail Trail, with a local CSA just a few doors down, yet still close to everything you love about New Paltz and the Hudson Valley. Mohonk Preserve, Minnewaska State Park, local breweries, farm to table venues, Water Street Market and all we love!
