The Hidden Grove House Concealed among a canopy of mature trees and lush, established landscaping, the Hidden Grove House on Jeffrey Lane is a private sanctuary nestled in the scenic hillsides of Hurley, where architecture, nature, and wellness come together in perfect balance. From the moment you arrive, the property reveals itself slowly. Meandering through thoughtfully curated landscaping, the outside world fades away, replaced by a sense of tranquility and seclusion that feels increasingly rare. Every view has been carefully framed by nature, creating an atmosphere that is both intimate and enchanting. Inside, dramatic 25-foot cathedral ceilings rise above the main living spaces, creating a striking sense of volume and light. Sun pours through oversized windows, revealing seasonal mountain views and illuminating the home's warm textures and inviting interiors. Two fireplaces anchor the gathering spaces, adding warmth and character while creating natural places to unwind throughout the seasons. Recently renovated and designed with both luxury and livability in mind, the first floor offers a grand entrance, an executive office and sitting room, a formal dining room, screened in porch, primary bedroom with ensuite, and two jr. primary bedrooms, all complemented by radiant heated floors that provide year-round comfort. The main kitchen, featuring Brazilian cherry wood floors and outfitted with Sub-Zero and DCS appliances, seamlessly integrates into the great room, creating an ideal setting for both everyday living and entertaining. A second full kitchen on the lower level allows the home to effortlessly accommodate guests, extended family, or large celebrations. The lower level is a destination unto itself. A beautifully appointed wet bar, a second dedicated laundry room, cedar-clad infrared sauna room, and expansive recreation spaces create an ideal environment for relaxation and entertaining. Outside, the property transforms into a resort-inspired retreat. A stunning gunite pool is surrounded by greenery and multiple outdoor living areas designed for gathering and rejuvenation. Two hot tubs offer spa-like enjoyment, while the pool pavilion serves as the heart of outdoor entertaining. Complete with a wood-burning fireplace, it provides the perfect setting for summer dinners, autumn evenings by the fire, and memorable celebrations under the stars. Just 90 minutes from the GWB, Hurley offers a rare blend of peaceful country living and easy access to the Hudson Valley's best destinations. Explore nearby Kingston's vibrant dining and arts scene, browse the shops and markets of Woodstock, or spend the day hiking in the Catskills--all while enjoying the timeless charm and natural beauty of one of the region's most historic hamlets.
