Situated on a dead-end street in the heart of Kingston, this charming two-story home offers 3 bedrooms, 1.5 baths, and abundant natural light throughout. As you enter from the front porch, you are welcomed into a living area that flows nicely into a cozy reading room and dining area, with built-in features adding warmth and functionality throughout. A convenient half bath and bright kitchen add to the home's appeal. The kitchen offers ample cabinetry, with access to the laundry area and a side porch for easy outdoor access. The second level features all three bedrooms, a full bath, and a walk-up attic providing additional storage. The full, unfinished lower level includes a wood stove and plenty of room for storage. Outside, enjoy nicely landscaped grounds, a patio, a private fenced-in backyard, and a detached two-car garage. Additional highlights include municipal water and sewer, offering added convenience, along with owned solar panels for potential energy savings. Conveniently located just minutes from both Uptown and Downtown Kingston, this well maintained home offers comfort and a place to call your own. Come take a look!
