Over 3 acres envelope the house, with only about a half acre tamed for gardening or barbecuing or simply enjoying, that needs tending. One of the 3 bedrooms is on the 1st floor & is currently used as a TV room but will support a queen sized bed! Two enclosed, porches offer 3-season living & provide those important opportunities for some solitude in a home with an open floor plan. Well maintained & improved as necessary, this retreat is move-in ready. Listing broker has a list of many recent upgrades & improvements.
