In Saugerties, where the Esopus Creek winds through the Hudson Valley and the Catskill Mountains rise in the distance, a new chapter unfolds. Eleven handcrafted townhomes rise along the creek, each built from the land itself — local timber milled on site, stone from nearby quarries, and mantels carved from reclaimed barn beams. Local builder John Mullen & Sons, longtime valley neighbors, honors the region's heritage in every detail — from wood floors milled from Saugerties trees to weathered stone foundations — ensuring no two homes are alike. These creekside row houses weave a narrative of authenticity and craftsmanship, inviting residents to become part of a story as enduring as the mountains and as timeless as the creek.
