Type:	Single Family
MLS#:	20266016
Square Footage:	0
Taxes:	$5,200
Year Built:	1890

Located on a quiet street near the new Sojourner Truth State Park, this circa 1890 property offers character, potential, and an opportunity to make it your own, just waiting on your finishing touches. Set on approximately 0.22 acres, the home features a unique construction style with a two-layer brick lower level and a stick-built upper level. The lower level has been updated with new sheetrock, plumbing, and electrical, along with concrete flooring and radiant heat in place. A full bathroom is also on the lower level. Upstairs, you'll find 9-foot ceilings, original plaster walls, and three rooms: a bedroom with a closet, a smaller room that could serve as a nursery, office, or additional bedroom, and a third room offering potential for a future bathroom, office, or other use. The spacious side yard provides plenty of possibilities for outdoor enjoyment, gardening, or creating your own outdoor space. Conveniently located near Kingston's waterfront and the surrounding amenities, this property offers a chance to bring your vision to life. Please note that the home lacks whole-house heating Property is being sold as is.
