A Little House with a Lot of Character in Kingston! Sweet, distinctive, and full of personality, this bungalow offers a refreshing alternative to the ordinary. With one bedroom, one full bath, and a versatile den, this home blends vintage charm with a touch of Brooklyn loft style. The kitchen has a wonderfully nostalgic feel, while the home's character-filled spaces invite you to make it your own. The bedroom offers dedicated storage, and a full basement provides even more room for storage, hobbies, or workshop space, complete with a B-Dry waterproofing system and wood stove. Propane heat and a roof replaced within the last five years add practical value. Outside, enjoy a .103-acre lot tucked along a dead-end street, with a spacious deck perfect for morning coffee, summer dinners, or unwinding at the end of the day. A private backyard offers room to garden, entertain, or simply enjoy a little breathing room, while a native-plant front garden adds natural beauty and curb appeal. Whether you're looking for your first home, a cozy place to downsize, or a home with character and potential to make your own, this Kingston bungalow is full of possibilities. A little vintage, a little urban, and entirely its own -- a home ready for its next chapter.
