Tucked away on over 6 acres, this private and peaceful retreat offers a wonderful sense of seclusion and connection to nature, yet its only 10 minutes to the Village of Rhinebeck. Set well back from the road, the home is approached by a picturesque, tree-lined driveway bordered by mature trees and historic stone walls. The 4-bedroom, 3.5 bath home offers comfortable living spaces and oversized windows that flood the space with natural light. The fully finished lower level, complete with a full bath, heat and central air, offers additional room for recreation, work or relaxation. Enjoy the quiet beauty of the property with a leisurely stroll along the enchanting woodland path, crossing a charming footbridge to discover a substantial 4-stall 36' X 48'' barn filled with possibilities. Whether envisioned as a workshop, studio, hobby space or something entirely different, the barn offers tremendous potential. Although the sellers began planning renovations to the home and property, a change in plans has led them to relocate. There is deferred maintenance. The propane fireplace has been disconnected and needs service. This presents an excellent opportunity to acquire a home at an attractive price in a beautiful setting and highly desirable location, within the Rhinebeck Central School District. Bring your vision and make this property your own.
