A rare opportunity in a charmed setting: Discover the potential of this 2-bedroom, 2-bathroom farmhouse, centrally located in the picturesque village of Stone Ridge, a popular Hudson Valley gem just 2 hours from NYC and minutes from Uptown Kingston. Already gutted to the studs, the interior is largely demo'd, with roughed-in plumbing in place - cleaned, poised and ready for your architect and contractor. The good bones are already here: a flexible and expandable layout on a tree-lined .31-acre lot, an existing 2-vehicle carport and shed, plus a circular driveway that would allow easy reorientation of the house to a main entry at the rear elevation and the ability to screen off Main Street for added privacy. Situated adjacent to estate homes and a new luxury development of USD 1 million+ houses, this property provides a clean canvas for your design dreams and a savvy financial opportunity to embrace the Hudson Valley lifestyle.
