INTERIOR PHOTOS 11/13/2026 Modern design meets natural serenity at this exceptional home, set on 3.2 private, wooded acres in Hurley. Offering over 2,800 square feet of thoughtfully designed living space, this architectural retreat features 3 bedrooms, 3.5 bathrooms, and two dedicated office spaces, seamlessly blending elevated design with everyday functionality. Just minutes from Woodstock, Kingston, and Onteora Lake, this property offers a rare combination of privacy, convenience, and contemporary Hudson Valley living. Inside, soaring cathedral ceilings establish a dramatic sense of scale, while an open-concept floor plan creates an effortless flow between the living, dining, and kitchen spaces. Oversized Marvin windows and expansive sliding glass doors invite natural light throughout and blur the line between indoors and out, opening to a spacious rear patio overlooking the tranquil wooded landscape. The primary suite offers its own cathedral ceiling, creating a light-filled and inviting private retreat. Outside, the home is thoughtfully situated among the property's natural rocky outcroppings, allowing the surrounding landscape to become an integral part of the setting and design. Every detail reflects a thoughtful approach to modern architecture, from the striking standing-seam metal roof to the thermally modified wood siding, bringing warmth, texture, and lasting appeal to the home's contemporary aesthetic. With its modern architecture, thoughtful design, and private wooded setting, 60 Morgan Hill offers a distinctive take on contemporary living in a sought-after Hurley location.
