Charming and VERY conveniently located farmhouse built in the 1939 with several outbuildings; located just a stone's throw from the heart of Stone Ridge and set up off of Rt 209 on a higher plateau with a new privacy fence. The home currently has two entrances perfect for guests and private decks for each. Sweet curved doorways, popular in the 40's, and the warmth of wood flooring and trim nicely unites the home's interior. A local conglomerate stone fireplace is in one room and a wood stove in another (a convenient wood storage shed outside near the front entrance.) Many rooms are bathed in natural light and set the tone for a very cheery interior. The main entrance is parallel to the road through large glass sliders with an open plan great room that has full height ceilings as well as new skylights. There are many specifically crafted and useful built -ins throughout the home. The staircase leads up to a full bath with a claw-foot tub and two bedrooms with ample closets/ storage. The back entrance has access to the third bedroom with its own full bath, flex space, and sitting area. Basement stairs lead to utilities and laundry. A nearby two car garage was converted into a spacious 20' x 24' art studio with its own heat source and stairs leading to a storage mezzanine. A carport was created to the side of the structure for weather protection for your vehicle. In the spacious backyard, an outhouse from yesteryear and additional garden shed is near a large fenced in mature vegetable garden with berry bushes as well as perennial flowers. The owner has also planted many trees on the property: Kousa dogwood, Tulip, Magnolia and Red Bud trees as well as evergreens. This property offers a lot of options for a buyer looking to be close to town for convenience, have flex living space and a large heated and insulated outbuilding as a studio, wood shop, or office space. 15 minutes to Kingston, 30 minutes to Woodstock, 20 minutes to New Paltz.
