6467 Montgomery Street, Rhinebeck, New York 12572 A TOTAL GUT RENOVATION, including all new Mechanicals, Geothermal HVAC, Solar Panels, Spray Foam insulation, Manifold Plumbing system, Elevator, Parged Basement Walls, Concrete Basement Floor, New Roofs, Gutters, Large Deck, Landscaping, ADA compliant ramp, New Fencing, Refurbished Gunite Salt Pool,with new cover and Coping, new kitchens, bathrooms, original pine floors, quartzite counters, elevator. Set on 1.14 acres in the sought-after historic village of Rhinebeck, this stately 1840s Italianate has been lovingly restored by master craftsmen. Original character and craftsmanship shine alongside thoughtful modern updates, creating a gracious blend of old and new. The home is fossil-fuel-free, with geothermal heating and cooling and solar panels. Come inside to exquisite paneling, graceful arches and detailed millwork, illuminated by an elegant Edwardian chandelier. A beautiful staircase with a mahogany rail leads to the second floor, while a discreet lift—concealed behind two original hallway doors—offers convenient access. First Floor The first floor includes a foyer, living room, dining room, kitchen, pantry, den, office, powder room, laundry, and a spacious bedroom suite with an en-suite bath, double vanity, and mini kitchenette. The suite also has its own exterior entrance. The kitchen and pantry feature quartzite countertops and a well-appointed appliance suite: Wolf double ovens, a Miele induction cooktop, Sub-Zero refrigerator, an additional refrigerator, microwave drawer, and two Bosch dishwashers. Large French windows with cremone bolts, new double doors to the deck, and new Marvin windows bring in abundant natural light. Second Floor The spacious primary suite features a large shower, double vanity, freestanding tub, linen closet, and bidet toilet. A second large bedroom has an en-suite bath with tub and shower, plus a cozy alcove suited to a home office or sitting area. A laundry room with cabinetry and an additional toilet adds convenience. A third bedroom offers flexibility as a guest room, dressing room, or walk-in closet. Separate Second-Floor Apartment With its own private entrance, as well as an entrance from the second floor, the apartment offers a large bedroom, full bath with tub and shower, and a living room with a galley kitchenette. The kitchenette includes a two-burner induction cooktop, sink, refrigerator, cabinetry, and granite countertops. Basement The clean, fully parged stone basement has a new concrete floor and offers generous space for storage, a studio, gym, or other uses. Mechanical features include a geothermal heat pump, hybrid heat-pump water heater, and manifold plumbing system. Outdoor Living & Property Features Enjoy the expansive rear deck, connected to an ADA ramp, and a large kidney-shaped saltwater gunite pool with pool house. The property also includes a spacious two-car garage with automatic doors and remote, established landscaping, a privet hedge, and a gated stone walkway. Mature maple, oak, cedar, locust, and walnut trees add beauty and shade. Recent exterior improvements include a new roof with asphalt shingles and EPDM rolled roofing, new gutters, and new fencing. Every detail of this thoughtful, top-to-bottom renovation was carefully considered, bringing new life to a remarkable Italianate home while preserving its enduring character.
